

TAPPAS 1

SUMMER TERM 2019

Application for an LRC Placement 2020

An application for an LRC placement will need to be discussed at the TAPPAS 1 meeting.

Please ensure that any pupil being considered for a specialist placement is recorded on the TAPPAS 1 grid.

The multi-agency group must agree the application before it can be submitted and all applications must be sent in by June 2019.

Additional Funding requests

The devolved funding agreement was introduced two years ago and the driving force behind this was to give schools more autonomy over the way in which they could allocate their ALN Budget. (see attached overview of individual school allocation on the TAPPAS 1 grid).

The devolved funding is for one to one support for ALN pupils. The exceptions to this are pupils with sensory or complex medical needs.

During the spring term, a small sum of funding became available as a one off payment and was allocated to schools as additional ALN funding.

This will not be available on an ongoing basis.

SCHOOL READINESS SURVEY

READINESS SURVEY – Schools

This survey is intended to guide and support schools to prepare and implement the ALN Act 2018 requirements

This survey was discussed during the TAPPAS 2 meetings in the Spring Term. Many schools have already completed this survey as part of the school's self-evaluation process. The feedback has been very positive.

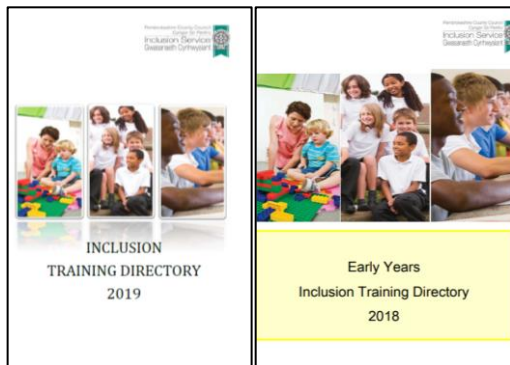

When the school has completed the survey please return to Olga Phelps olga.phelps@pembrokeshire.gov.uk.

The expectation is that all schools should return their completed surveys before the schools Summer Term TAPPAS 2 Meetings. Thank you

TRAINING DIRECTORIES

TAPPAS 3

Flyers and posters for the TAPPAS 3 Meetings have been emailed to all schools for uploading onto the school websites/social media platform. Paper copies will be distributed at the TAPPAS 1 Meetings.

Click on the pictures to access the Training Directories on the Inclusion Website.

FOUNDATION PHASE IDENTIFICATION NETWORK SPRING TERM MEETINGS.

This information can be found in the Training Directory.
